Dear Grant:

I wanted to let you know how glad I was to have the Heatsavr in our pool this past summer season. Our pool is Olympic size and located right on the Hudson River in Jersey City, NJ. The wind is quite forceful around here so having the Heatsavr in the pool prevented heat loss from occurring thus lowering my gas heating bills, even with all the rain New York experienced in June. I want to thank you on behalf of my residents for getting the Heatsavr to us and keeping the pool warm. I highly recommend this product to everyone.

Sincerely,

Adam Rubin
